

GLOBAL WARMING

J.T.C.

Global warming?

It's coming!
You had your
chance. We
warned you, but
you ignored us!

Now **you** will pay the
price, because **you**
caused it!

Is this the end of the world?

Brilliant scientists graciously counsel us "little people" on climate changes and the coming dangers of global warming.

Are they right? Is Mother Earth **doomed** because of us? They must be right, because they're "**scientists!**" Hmm... But wait! Let's think about this.

Back in the Dark Ages, when the Catholic Church ruled the known world,

no one *dared* question their wisdom when they said:

Do penance! The world will end before the year 1000!

Amen... three weeks from now.

The little people were *terrified*. Where could they turn for help? To Mother Church, of course!

Poor peasants brought gifts to the monasteries...

This is for God!

Bless you, my child.

Father, take my goose!

...horses, pigs, chickens —all they had, that God might forgive and spare them.

The night before "the end" was spent in terror, weeping and praying. Then they heard a wonderful sound:

Cock-A-Doodle-Do!

We made it! The world *didn't* end! We're still alive!

But now what?

Why are you here, my son?

We want our cow back.

Your cow? *No!* You gave that cow to God. It's not *your* cow. It's *God's* cow. We're keeping it here for Him.

But, Father?
We're starving!

We'll pray.
Maybe God will allow us to *sell* the cow back to you.

How much *property* do you have?

In hard times, there's winners and losers. Guess who made out like a bandit?

One world-famous prophet has a huge following. His predictions are discussed on television.

Nostradamus was born in 1503. In his very first book, he predicted that a war would last from 1975 until "the end of the world..."

—in 1999."

That's one prophecy we *didn't* hear on the History Channel!

*Mmmnf!!**

*Oops

His old mentor, Scaliger, wrote:

"How can Nostradamus predict the future when he doesn't even know what's going on at the present time?"

Nostradamus made mistakes.
But he wasn't a scientist.

**Life of Julius Caesar Scaliger (1484-1558),
by Vernon Hall. (1950) p. 120.*

Look at some "scientific" predictions:

"If I were a gambler I would take even money that England will not exist in the year 2000."^{*}

England still exists. Ask any Muslim.

**Dr Paul Ehrlich's speech at British Institute for Biology, in 1971.*

Ehrlich predicted: "In 10 years all important animal life in the sea will be extinct. Large areas of coastline will have to be evacuated because of the stench of dead fish." *

Sounds fishy.

*Speech during Earth Day, 1978.

"A general warming trend over the North Pole is melting the polar ice cap...

...and may produce an ice-free Arctic Ocean by the year 2000.**

By 2010 there was only a tiny bit of ice left: **3.82 million square miles!**

*Arctic specialist Bernt Balchen, *Christian Science Monitor*, June 8, 1972.

Dr. Viner says within a few years, "children just aren't going to know what snow is."¹⁶

Snowfall will be "a very rare and exciting event."¹⁷

What a snow job!

¹⁶Dr. David Viner, senior research scientist at the Climate Research Unit, March 20, 2000.

2011

Stop! The airport is shut down! **Go back!**

Travelers by the thousands were stranded by snowstorms.

Global warming? Are you *sure*?

Scripture? We're
men of science!

And women!

We have one thing in
common. None of us
believe your Bible.

We're open minded but
not to that Jesus junk!

Global warming
experts pray to
Ichihel and Gaea
for guidance!
Not your Jesus!
Understand?
This is our
planet!

Ichihel
(goddess of
the moon and
creativity)

Gaea Earth
goddess
(Mother
Nature)

No! This *isn't* your planet!¹

Jesus created it ^{} He controls
its climate —*not* mankind**

**What does God say about our
glorious world leaders?**

**'All nations before him are as nothing,
and they are counted to him less than
nothing, and vanity.' Isaiah 40:17**

***Psalm 24:1 **John 1:3 Ephesians 3:9
Colossians 1:16 Hebrews 1:2**

**So when a country claims it can
cause (or fix) global climate change
they're only fooling themselves:**

**"Behold, the nations are as a drop of a
bucket and are counted as the small dust
of the balance." Isaiah 40:15**

Yet the world is in a state of panic!

Why?

Because powerful, unseen forces
push us ever closer to fulfilling
God's prophecies

The most
powerful force in
the universe

Jesus Christ

The second most
powerful force in
the universe

The Devil

Both are after your soul

Who is the Lord Jesus Christ?
Here are some of His other titles.

King of Kings • Lamb of God •
The Word • Saviour • Emmanuel •
The Prince of Peace • The Rock •
Redeemer • The Holy One •
King of the Jews • The Messiah •
Lion of the Tribe of Judah

These are titles for the *other guy*.

Satan • the wicked one • Lucifer •
the god of this world • Belial •
the father of lies • the tempter •
the prince and power of the air •
the old serpent • the dragon •
Beelzebub • Baphomet

When Adam walked with God. He
had dominion over every living
thing upon the earth.

But when Adam and Eve sinned,
everything was ruined! Adam's
"Christlike" spirit was gone. his
kingly position was taken over
by Satan.

Adam's rebellion turned us all into sinners under the control of Satan, making him "the prince of this world" **

He gives us wars, misery, disease, deception and death! But Jesus was sent to earth to give us life! **

*Jn 12:31, 14:30, 16:11 **Mar 10:45; Jn. 10:28

The Lord Jesus Christ came to die for us, to pay the penalty for our sins.

Many heard but few believed Him!

*John 14:6

God the Son was cursed
blasphemed, torn by whips, spit
on. His beard was plucked.

His hands and feet pierced
with spikes, and He suffered
a horrible death — for us!
And many laughed!

Jesus Christ shed His precious blood
for our sins. He died, but three days
later He rose from the dead.

"For God so loved
the world, that He
gave His only begotten
Son, that whosoever
believeth in Him
should not perish, but
have everlasting life."

(John 3:16)

What does it have to do with
global warming? You'll see!

Every thought word and deed worldwide has been recorded "

Jesus never died on the cross!

He had a devil!

Jesus was queer!

God is dead!""

Gandhi was better!

IT'S PAYBACK TIME!

"Matt 12:36 "Ps 14:1

Mankind has had 2000 years to receive Jesus as their Saviour But few have believed and loved Him

Before He unleashes His fury He'll remove His own to safety* to miss the coming nightmare

*1 Thess 4:16-18

Why is He angry with
the nations?

Because they **dumped** His
10 Commandments, outlawed

His Bible

murdered over
1 billion babies,
and they forgot
**God THAT'S
WHY!**

"The wicked shall be turned into
hell and all the nations that
forget God." (Psalm 9:17)

What will happen in the coming
tribulation? (See Matt 24:21-22)

• hail, and fire mingled
with blood, were cast
upon the earth, and the
third part of trees and all
green grass was burnt up
(Revelation 8:7)

• and the third part of
the sea became blood,
And part of the creatures
which were in the sea
died, and the third part of
the ships were destroyed."
(Revelation 8:8-9)

"And men were scorched with great heat, and blasphemed the name of God, which hath power over these plagues..."
(Revelation 16:9)

Man won't cause *this* global warming!

One third of the earth will go by fire.

...And this super heat wave is not the end of the world!

When Jesus returns, He'll restore the planet and reign over it for 1000 years. So why the panic?

Jesus is calling the shots...
not the environmentalists!

When His 1,000 year reign ends, Jesus will create a new heaven and a new earth.

“...the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up. (2 Peter 3:10)

That's real global warming!

After this, all who died in their sins will be brought up from hell and face Jesus as their Judge on Doomsday.*

*See Rev. 20:11-13.

“And whosoever was not found written in the book of life was cast into the lake of fire.”*

“And the smoke of their torment ascendeth up for ever and ever; and they have no rest day nor night...”**

Don't let this happen to you!

*Revelation 20:15 **Revelation 14:11

HEAVEN OR HELL...

**THE CHOICE IS
YOURS!**

“...Believe on the Lord Jesus Christ, and thou shalt be saved...” (Acts 16:31)

THE BIBLE SAYS THERE'S ONLY ONE WAY TO HEAVEN!

Jesus said, "I am the way, the truth, and the life; no man cometh unto the Father, but by me." John 14:6

NOBODY ELSE CAN SAVE YOU. TRUST JESUS TODAY!

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." Rom. 10:9

1. Admit you are a sinner. See Romans 3:10
2. Be willing to turn from sin (repent). See Acts 17:30
3. Believe that Jesus Christ died for you, was buried and rose from the dead. See Rom. 10:9-10
4. Through prayer, invite Jesus into your heart to become your personal Saviour. See Rom. 10:13

WHAT TO PRAY

Dear God, I am a sinner and need forgiveness. I believe that Jesus Christ shed His precious blood and died for my sin. I am willing to turn from sin. I now invite Christ to come into my heart as my personal Saviour.

If you trusted Jesus as your Saviour, you have just begun a wonderful new life with Him. Now:

1. Read your Bible (KJV) every day to get to know Jesus Christ better.
2. Talk to God in prayer every day.
3. Be baptized, worship, fellowship, and serve with other Christians in a church where Christ is preached and the Bible is the final authority.
4. Tell others about Jesus Christ.
